This product is intended for use according to an approved organic system plan.

Spray through 50 mesh or coarser screens with matching tips.

Keep out of reach of children. This product is not intended for human consumption. Wear appropriate mask, goggles and gloves during use to avoid inhalation and contact with eyes and open wounds. Rinse contacted areas with water and wash hands after use. If swallowed, drink water and consult a physician.

It is each certified organic grower's responsibility to get approval from his/her certifying agency before using this product. Because of differences among the various certifying agencies, and differences between NOP/EU/JAS/COR ingredient lists, AgriEnergy Resources cannot guarantee that our products will be allowed by your certifier on your farm.
